**Tips for Biking & Hiking
Along Birch Bay Drive**

Walk facing automobile traffic.
Look & listen for traffic.
Stay to the left and share your lane with bikers.
It is better if you can establish eye contact with bikers & drivers.
Bike the same direction as autos. Pass between pedestrians and autos.
Look & listen for traffic.
Try to establish eye contact with walkers.
There is a lot of nonverbal communication that goes on. It is helpful if other people are aware of you and you are aware of others.
After dark, wear reflective gear or light colored clothing & carry a light.

The C Shop is a family owned business that has been bringing delicious treats to Birch Bay for 46 years. Separated into two sections, the Candy Shop and the Cafe, we serve up homemade quality that is suited to this family resort community. Each of our recipes is honed to perfection, and every year we come up with new creations.
